FIRST DOSE ON A BOSTON POLICE OFFICER.

RICHARD DUKES, CHAS, ŒSTERLEN BOSTON, Nov. 15, 1871. BOSTON, Nov. 15, 1871.

H. R. STEVENS:

Dear Sir—In the spring of 1860 I was stricken down with fever, which had a long and almost hopeless run. The best medical advice being in attendance, I was taken through the fever; but it left me terribly reduced and weak, with excruciating pains in my side, back and hips. I was completely prostrated with Kidney Complaint, and no medicine scemed to reach my case. In this condition I was persuaded to try Vegurine by a friend whom it cured of the same disease, and it seemed as though I could feel the effect of the first dose through my whole system; and from that moment I began to mend, gradually growing better from day to day; and I followed on with the Vegetine, until it completely restored me to health, since which time I have been able to perform my duties as a police officer, enjoying good health; and there is no doubt about the great value of Vegetine in Kidney Complaint and similar diseases.

If VEGETINE will relieve pain, cleanse, purify and cure such diseases, restoring the patient to perfect health after trying different physicians, many remedies, suffering for years, is it not conclusive proof, if you are a sufferer, you can be cured? Why is this medicine performing such great cures? It works in the blood, in the circulating fluid. It can truly be called the GREAT BLOOD PURIFIER. The great source of disease originates in the blood; and no medicine that does not act directly upon it, to purify and renovate, has any just claim upon public attention. Seventy-one Years of Age.

EAST MARSHFIELD, Aug. 22, 1879. Mr. Stevens:
Dear Sir—i am seventy-one years of age; have suffered many years with Kidney Complaint, weakness in my back and stomach. I was induced by friends to try your VEGETINE, and I think it the best medicine for weakness of the kidneys I ever used. I have tried many remedies for this complaint, and never found so much relief as from the VEGETINE. Its trengthens and invigorates the whole system. Many of my acquaintances have taken it, and I believe it to be

I will make mention that I was also a great sufferer from Kidney Complaint, causing excruciating pain through the small of the back nearly all of the time. ALICE CARY'S SWEETEST POEM.

Main Street, FINDLAY, O. Of all the beautiful pictures That hangs on Memory's wall Is one of a dim old forest

That seemeth best of all Not for its gnarled oaks olden Dark with the mistletoe-Not for the violets golden That sprinkle the vale below,

Nor for the milk-white lilies That lean from the fragrant hedge. Coquetting all day with the sunbeams, And stealing their golden edge: Not for the vines on the upland Where the bright red berries rest!

Nor the pinks, nor the pale, sweet cowslip, It seemeth to me the best, I once had a little brother With eyes that were dark and deep-In the lap of that olden forest He lieth in peace asleep;

Light as the down of the thistle. Free as the winds that blow, We roved there the beautiful summers, The summers of long ago: But his feet on the hill grew weary, And one of the autumn eves made for my little brother

A bed of the yellow leaves. Sweetly his pale arms folded My neck in a meek embrace, As the light of immortal beauty Silently covered his face: And when the arrows of sunse Lodged in the tree-tops bright, He fell, in his saint-like beauty,

Asleep by the gates of light. Therefore, of all the pictures That hang on Memory's wall, The one of the dim old forest Seemeth the best of all. THE PAIR-MINDED MEN.
